Following our pot-luck lunch Dwain Miller, president called the meeting to order at 1:40 pm. Linda Sample had sent the Treasurer's Report by email. Gayle moved to accept the report and Dennis seconded. The motion passed.

The Executive Board will come up with a slate of officers before the next meeting. Dennis suggested an online vote. Jay said that was possible.

Dwain suggested Greg and Gayle for co-chairs of the Show and Sale for 2011.

The Show and Sale was discussed.

1. A change of date
2. Prices of sale plants
3. Cost vs. profit
4. Jay suggested we sell more plants at Greenfest where there is a larger crowd and the profit margin is greater. Potted plants sell better, so we could buy plants in the fall and pot them for sale in the spring. He also suggested that we consider a multiple page brochure which might be paid for with ads. It could contain directions for planting a daylily and advertise the Show and Sale.
5. Sandy suggested making up fliers advertising the Show and Sale and everyone put the around in the area in which they live.
6. Ellen reported that we needed hand outs for how to plant a daylily. We had none.
7. Food problem.

Jay made the motion to buy breakfast for the day of the show. Dawn seconded the motion and the motion passed.

Dennis passed out fliers for the Hibiscus Show.

Kyle asked for money to make displays for the photographs and the next Show. After much discussion, Jay said if they came up with a final suggestion, early in the year, her would work up a price and make what they wanted. Ellen offered wood.

Ellen made the motion to bring all the boutique items to Greenfest to sell. Sandy seconded the motion and it passed.

Jay moved to adjourn. Dennis seconded the motion and it passed.
