Jay Jarman called the meeting to order at 12:40 PM.

The November minutes were posted on the BADS website. Elaine moved to accept the minutes as posted. Greg seconded the motion and the minutes were approved.

Old business:

Greg asked all members to do the same job for the 2011 Show and Sale as they did for the 2010 Show.

Dennis reminded that we still had to construct the photo displays.

The decision on how much to spend on plants for Greenfest was tabled until the next meeting when we have collected all the amounts we spent last year. Gayle reported that she had sent Dan an email saying we would need more plants in 2011.

New Business:

Jeff Johnson brought procurement single fan plants for sale to members:

\$10 Crimean Crimson (3 of 5) Kay, Dennis, Gayle
\$12 Chang Dynasty (4 of 5) Kay, Marcia, Dennis, Gayle
\$10 Noon Day Dreams Kay, Jay, Greg, Linda, Mark
\$10 Beside Still Waters Dennis, Kay, Marcia, Kyle

Linda Sample donated three plants for door prizes. Linda, thank you for your generosity in sharing your plants. They were won by the following members:

Savannah Smooch: Kay Smith

Edge of Heaven: Sue Simmons
Loaves and Fishes: Jay Jarman

Greg Crane purchased a "Eureka Daylily 2011 Reference Guide". Gayle Nipper has the guide as chairman of Greenfest.
